Position: Quality Manager

Dear Sir,

Following the evaluation of your company that is trading at the address shown above, I am pleased to confirm that your company has become an approved supplier to GE Aviation Systems Limited - Hamble (GEAS). Your approval number is:-

GEAS 3014

Your scope of approval is : -

Destructive materials testing to ISO 17025 & Nadcap accreditations. Non-Destructive material testing to ISO 9001.

It is a requirement that you only supply product in accordance with your scope of approval. Should you be requested to undertake work for GEAS which is outside your allocated scope, you are required to notify GEAS Procurement Quality Assurance function so that suitable quality arrangements can be made.

Under the requirements of this approval, please inform GEAS of any major changes in your; organisation, address, Quality system approvals. The GEAS Quality requirements are described in the applicable paragraphs of QAS 2000, a copy of which is available on our supplier Web-site with access details available on request. Your quality performance will be periodically reviewed and this approval may be suspended or withdrawn should the conditions under which it was granted no longer be applicable or maintained.

For and on behalf of GE Aviation Systems, Hamble

Mike Aldis

Lead Supplier Quality Engineering Specialist
